OPINION: Did you like the story ? Why ?

Yes, I liked the story but I didn't love it. I found interesting the development of Erik and his story but I didn't like the way Raoul and he treated Christine. She wasn't in love with Erik but she was with him because she didn't want him to hurt Raoul and they didn't appreciate. In my opinion, the love Christine and Raoul looked a little bit unreal because she didn't refuse to marry Erik only to save Raoul when they didn't see each other in years. Erik proves his love by being possessive and aggressive, but he proves. On the other hand, Raoul only wants to be with her because he loved her but he didn't prove at all.
